POOL FUNDRAISER
3 LINES-20 CHAR/LINE

The City of Malta and Hi-Line Future Foundation have joined forces in making the renovation of the pool a reality. Members of the community have been extremely supportive in this process that we would like to give the community an opportunity in having your own personal stamp of ongoing legacy within the pool. Purchase a brick with your own laser engraved personalization to be placed around the outside of the pool area knowing the funds raised will go solely towards the renovation of our beloved pool. Each brick will remind the community of your generosity and our appreciation for you and how valuable you are to the success of the pool for years to come. The City of Malta and Hi-Line Future Foundation appreciates your support!
